

MARCHINGTON PARISH COUNCIL

Solar Farm Grant Scheme Open All year

Marchington Parish Council receives deed of benefit payments from the two solar farms located in the village. This income is expected to continue to 2026. Each year Marchington Parish Council agrees to set aside the majority of this income to fund grant applications from groups and organisations within the parish for help with projects.

It is at the Parish Councils discretion as to the level of this fund. The Parish Council retains the right to fund an application in full or part as they see fit. This fund is a finite resource.

Applications must be sent to the Parish Clerk and received by 5pm on 31st October
