

GORSTY HILL TRIANGLE

Be part of our story

This little green triangle is something special

With your ideas and support it could become an even more welcoming place for everyone shaped by the people who pass it every day

What could it become

Planting wildlife and pollinator friendly features • Seating artwork or small landscape touches • Simple memorial or reflection elements • Anything that helps it feel cared for and shared

How you can help

Source materials • Lend a hand with building or planting • Help care for the space over time

Fundraising ideas welcome

Events donations sponsorship or grant ideas are all appreciated

Get involved

Share an idea • Lend a hand • Be part of it
